Limited Review Report

To,
The Board of Directors
Pratibha Industries Ltd.
Mumbai.

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of Pratibha Industries Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associates and jointly controlled entities for the half year and quarter ended 30th September, 2016 ("the Statement") being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular CIR/CFD/CMD/15/2015 dated November 30, 2015 and Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016. This Statement which is the responsibility of the Company's management and approved by the Board of Directors in their meeting held on 13th December 2016, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Sec 133 of Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We believe that the review procedures performed by us, subject to matter in paragraph 6 is sufficient and appropriate to provide a basis for our reporting on the Statement.
4. *The management of Holding Company has not provided us with the detailed working of Construction Work in Progress (WIP) totaling to Rs. 3,585.81 Crores as at 30th September 2016, cost to completion and consequent profitability/ and or losses on projects which are pending execution. In absence of these details, it is not possible for us to ascertain whether the WIP has been valued and stated correctly or not. The consequential impact, if any, on the consolidated financial statements is therefore not ascertainable.*
5. *We draw attention to Note 10 of the Statement with regard to encashment of Bank Guarantees amounting to Rs. 504.01 Crores during the half year ended 30th September, 2016. No claims/cases have been filed by the company. No provision for expenses has been made. However Management is of the opinion that these amounts will be recovered.*

6. Based on our review conducted as above, and on consideration of the reports of the other auditors and subject to the possible effects of the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with aforesaid accounting standards and other recognized accounting practices and policies have not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular CIR/CFD/CMD/15/2015 dated November 30, 2015 and Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We did not review the financial results of 16 subsidiaries (including Joint Venture companies treated as Subsidiary) included in the Statement, whose financial results reflects, total revenue from operations of Rs. 412.80 Crores and total loss (net) of Rs. 85.09 crores for the half year ended 30th September, 2016, as considered in the Statement. The Statement also includes Group's share of loss (net) of Rs. 0.44 crores for the half yearly ended 30th September, 2016 and total investment of Rs. 14.70 crores as at that date, as considered in the Statement, in respect of 11 Joint Venture and Associates. These companies' financial results have not been reviewed by us. These financial results are also not reviewed by their respective auditors and have been furnished to us by the Management and our reporting on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, is based solely on such un-reviewed financial results.
8. We draw attention to Note 6 of the Statement with regard to Company's aggregate investments in two subsidiary companies and loans and advances due from these subsidiary companies amounting to Rs. 86.49 Crores as at September 30, 2016. The net-worth of these Subsidiary companies has been fully eroded. However based on certain estimates and other factors including their business plan and growth prospects, as described in the said note, management considers the decline in the value of investments as temporary in nature and believes that the Loans & Advances are good and recoverable. Our report is not modified in respect of this matter.

The Board of Directors
Pratibha Industries Ltd.
Mumbai.

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of Pratibha Industries Limited. ('the Company') for the half year and the quarter ended 30th September, 2016 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular CIR/CFD/CMD/15/2015 dated November 30, 2015 and Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, in their meeting dated 13th December 2016, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Sec 133 of Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We believe that the review procedures performed by us is sufficient and appropriate to provide a basis for our reporting on the Statement.
4. *The management has not provided us with the detailed working of Construction Work in Progress (WIP) totaling to Rs. 1,993.10 Crores as at 30th September 2016, Cost to Completion and consequent profitability/ and or losses on projects which are pending execution. In absence of these details, it is not possible for us to ascertain whether the WIP has been valued and stated correctly or not. The consequential impact, if any, on the standalone financial statements is therefore not ascertainable.*
5. *We draw attention to Note 10 of the Statement with regard to encashment of Bank Guarantees amounting to Rs. 283.25 Crores during the half year ended 30th September, 2016. No claims/cases*

have been filed by the company. No provision for expenses has been made. However Management is of the opinion that these amounts will be recovered.

6. Based on our review conducted as above and subject to the possible effects of the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with aforesaid accounting standards and other recognised accounting practices and policies have not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular CIR/CFD/CMD/15/2015 dated November 30, 2015 and Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We draw attention to Note 6 of the Statement with regard to Company's aggregate investments in two subsidiary companies and loans and advances due from these subsidiary companies amounting to Rs. 86.49 Crores as at September 30, 2016. The net worth of these Subsidiary companies has been fully eroded. However based on certain estimates and other factors including their business plan and growth prospects, as described in the said note, management considers the decline in the value of investments as temporary in nature and believes that the Loans & Advances are good and recoverable. Our report is not modified in respect of this matter.
